to us if our must be an
extra copy of that appended
to the Taxation rules. The
last item in cattle per head
is 10 0 0 and to be deleted,

the office letter No 1963
The H 21-7 is not an action
but it is the S'araphan house

Bye Law 20 There will be difficulty
in making the value of price

or when the notice is considered
genuine. The bye laws do not
provide for assessing the value
in such cases of cattle, a
man has to be assessed who has to

The revised by laws of the
Saklespur ML Cl are based
on the Octor by laws passed
for the Kuntalpur Municipality.
In by law no 11 reference to
Police Officers is omitted &
in addition has been
made to by law no 12 stating
that one of the MLs will perform
Octor collections. By laws 23,
24 & 25 are not found in the
Kuntalpur by laws. Perhaps
they are added with reference to
the Office letter of the 19-2-1924.
By laws 27 & 28 are inconsistent.
By laws 19 & 20 are illegal.
Fine for non payment of Octor
has to be imposed by a Magistrate
& not by the Octor for the Vice Pre-
dent. Special procedure has
been prescribed for the recovery of
Octor only & specially imposed by
a Magistrate has to be recovered under
Sec 161(2) & not as a Municipal
tax.

The Municipal Council was asked to frame the bylaws on the lines of the Kotayre Municipal bylaws. Bylaws 15 & 20 which are stated to be 'Majal' are to be found in the Kotayre Municipal bylaws. The whole of bylaw 15 does not seem to be 'Majal'. The first portion of it only follows section 77(2) and this Council therefore be considered 'Majal'. The latter portion empowering the Vice President to impose fines may perhaps be expunged as also bylaw 20. ~~Bylaws 22 & 23~~ ~~also by bylaw 20~~ ~~provisions for sale of perishable articles~~ ~~which are seized or detained~~ ~~under 77 of the Regulation~~ ~~seems to require~~ ~~provision only in regard to this~~ ~~whereas~~ ~~bylaw 23 provides for~~ ~~perishable~~ ~~articles which~~ ~~are deposited~~ ~~the bylaws do not~~ ~~seem to be inconsistent~~ ~~with~~ ~~As bylaws~~ ~~are required only in the former aspect~~ ~~bylaw 23 may perhaps be omitted~~

I have the honor to state that the President of the Salespur
Municipal Council reported that in pursuance of G.O. No. 93710/1
31-19-8 dated the 25th November 1920, the Municipal Council con-
templated the levy of octroi on Jaggery, Sugar, Kerosine Oil etc, with
in the municipality with effect from the 10th July 1922. Thereupon,
he was requested to intimate if necessary byelaws had been framed
and sanctioned and his reply was in the negative. He has now sub-
mitted draft byelaws in English and Canarese in duplicate and re-
quests sanction to the same. From his report, it is seen that no
objections have been received so far to the proposal of the Municipal
Council. The draft byelaws and the vernacular correspondence ending
with the President's No. 71 dated 26th September 1923 are forwarded
herewith, and I request that you may be so good as to obtain the
sanction of Government to the byelaws in question and return them
to me at an early date.

I have the honor to be,

Sir,
